AMENDED NEBRASKA INDIVIDUAL INCOME TAX RETURN for Tax Year 1993 through 1997

Form 1040XN-4 is to be used only when the original return for tax years 1993, 1994, 1995, 1996, or 1997 is amended. Returns for other years cannot be amended using this form. The proper Form 1040XN may be obtained from the taxpayer assistance offices listed on page 4. If you originally filed Form 1040NS, see the special instructions below.

INSTRUCTIONS

AN AMENDED NEBRASKA INDIVIDUAL INCOME TAX RETURN, Form 1040XN-4, is filed whenever the taxpayer's federal or other state's tax return is amended or corrected, or whenever the information on a Nebraska return previously filed is not correct. Form 1040XN-4 may only be filed after the Nebraska Individual Income Tax Return, Form 1040N, Form 1040NS, or a Nebraska TeleFile return has been filed.

The amended return is due 90 days after filing an amended federal return or after an Internal Revenue Service correction becomes final. A correction is final, even though the taxpayer and the IRS are still contesting the amount due, whenever one of the following has occurred:

1. The tax has been paid by the taxpayer;
2. The examining officer's findings have been accepted by the taxpayer;
3. A closing agreement has been approved by the IRS; or
4. A decision of a court has become final.

The amended return reporting a change or correction in another state's return is also due within 90 days after an amended return is filed or the correction becomes final.

Attach copies of the federal claim for refund, the audit determination of the IRS, or the amended federal or state return to the amended Nebraska return. Except as otherwise noted, Form 1040XN-4 used to claim a refund must be filed within three years from the time the original return was filed, or within two years from the time the tax was paid, whichever is later. Form 1040XN-4 must be filed to claim a refund resulting from a federal or state change within two years and 90 days following the final determination of such change (but not more than ten years from the due date of the original return in the case of a change made by another state). Interest on such refunds will cease to accrue after the 90th day if the amended return has not been filed within 90 days after the change. Attach a copy of any federal or state document relating to the federal or state change which establishes the timeliness of the refund claim.

An oral hearing may be requested when filing for a refund on Form 1040XN-4 by writing the request on the Explanation of Changes, Form 1040XN-4.

PROTECTIVE CLAIM. An amended return based on the filing of a federal protective claim with the IRS does not require the filing of an amended Nebraska return as a protective claim. The payment by the IRS of a refund on a protective claim is a federal change that must be reported within 90 days of such refund.

NEBRASKA NET OPERATING LOSS. If you are carrying back a Nebraska net operating loss, you must attach a copy of the Nebraska Net Operating Loss Worksheet, Form NOL, and a copy of either Federal Form 1045 or 1040X and all supporting schedules. The amount of any federal NOL deduction is entered on line 38 of Schedule I, and the amount of the Nebraska NOL is entered on line 43 of Schedule I.

AMENDING A TELEFILE RETURN. A TeleFile return is amended by filing Form 1040XN-4. Information for completing the amended return is found on the Nebraska TeleFile Worksheet which was completed at the time the return was filed. If help is needed in completing the amended return contact Taxpayer Assistance.

TAXPAYER ASSISTANCE is available at the Nebraska Department of Revenue offices located in Grand Island, Lincoln, Norfolk, North Platte, Omaha, and Scottsbluff.

The addresses and phone numbers are shown on page 4 of these

instructions. Hours are 8 a.m. to 5 p.m., Monday through Friday, and at such other times and places as may be announced. Persons within the continental United States may call for taxpayer assistance toll free by dialing 1-800-742-7474. Lincoln residents call 471-5729.

Confidential tax information will be given only by return telephone call after the caller's identity has been established. A representative of a taxpayer requesting confidential tax information must have a power of attorney on file with the department before any information will be released. An income tax return signed by the preparer is considered a limited power of attorney authorizing the department to release only the information contained on that return to the preparer.

SPECIFIC INSTRUCTIONS

COUNTY OF RESIDENCE is the place where you maintained your home in the year being amended. If you are a nonresident of Nebraska, enter "nonresident."

PUBLIC SCHOOL DISTRICT DATA. All residents and partial-year residents who resided in Nebraska on December 31 of the year being amended **must complete** the school district data.

SPECIAL INSTRUCTIONS IF FORM 1040NS WAS

FILED. When amending Form 1040NS, enter the information from Form 1040NS on the following lines of Column A (the corresponding line numbers from Form 1040NS are listed in parenthesis): lines 1 (1), 2 (2), 4 (5), 5 (3), 6 (4), 14 (6), 15 (7), 18 (8), 25 (9), and 26 (10). Other lines must be completed as applicable. Line 3 of Form 1040XN-4 should be completed by checking the "resident" box for the original return.

LINE 1. A change in the filing status can only be made when the federal filing status has been changed. An exception is made when a joint federal return was filed and the residencies of the spouses are different.

The residencies are different when, during all or some part of the year, one spouse is a resident and the other spouse is a nonresident at the same time. The couple with different residencies may file original returns with Nebraska on either a joint return or a separate return basis.

The couple who has filed separate Nebraska returns may elect, either before or after the original return is due, to file a joint return with Nebraska. They are then taxed as though both were residents during the time either was a resident.

The couple with different residencies who filed a joint Nebraska return and wish to change to separate returns must satisfy the following conditions:

1. Both spouses must file a separate Nebraska return with a "married, filing separate" status. The spouse whose social security number was listed first must file an Amended Nebraska Individual Income Tax Return, Form 1040XN-4. The spouse whose social security number was listed as the "spouse's social security number" on the original return will file a Nebraska Individual Income Tax Return, Form 1040N.
2. A copy of the actual federal joint return and copies of federal returns recomputed on a married filing separate basis must be attached to each of the spouses' returns.

3. Each Nebraska return as required in "1." above, must include the full name and social security number of the other spouse.
4. Both spouses must sign each Nebraska return as required in "1."

LINE 2. Check the appropriate boxes if you or your spouse were 65 or over, blind, or could be claimed as a dependent on another's return.

LINE 3, TYPE OF RETURN BEING FILED. Residency is determined in accordance with the Form 1040N instructions. Military service members can refer to the Nebraska Income Tax for Military Service Members Information Guide.

LINE 5. Enter adjusted gross income from your federal return.

LINE 6. Nebraska standard deduction is the same as the federal standard deduction allowed for your federal filing status or for higher income taxpayers as calculated on the Nebraska Standard Deduction Worksheet included with the original instructions. Do not enter the amount of itemized deductions.

LINES 7 THROUGH 9. Only taxpayers who itemized should complete these lines. If federal adjusted gross income is such that your federal itemized deductions are limited, you must complete the Nebraska Itemized Deduction Worksheet included with the original instructions. Enter the amount from the worksheet on line 7. Nebraska itemized deductions (line 9) are calculated by subtracting line 8 from line 7 (the result should not be less than 0). If the result on line 9 is less than the amount of the standard deduction to which you were entitled on line 6, then enter the line 6 amount on line 10.

LINE 10. Enter line 6 amount or, if you itemized on your Federal Form 1040, and line 9 is greater than line 6, enter line 9.

LINE 12. Enter amount from Amended Nebraska Individual Income Tax Return, Form 1040XN-4, line 38, Schedule I.

LINE 13. Enter amount from Amended Nebraska Individual Income Tax Return, Form 1040XN-4, line 44, Schedule I. **Complete Schedule I to change state income tax refund even if Schedule I was not filed with your original return.**

LINE 15. Use the Nebraska Tax Table and Additional Tax Rate Schedule to determine the Nebraska income tax. Nonresidents and partial-year residents must complete Schedule III.

LINE 16. The Nebraska minimum or other tax is the sum of (1) federal alternative minimum tax; (2) federal tax on lump-sum distributions of pensions; and (3) federal tax on early individual retirement account distributions, multiplied by the tax rate of 29.6 percent.

USE THE FOLLOWING WORKSHEET to calculate Nebraska minimum or other tax.

4. **SUBTOTAL** (add lines 1 through 3) _____
5. **TOTAL** (line 4 multiplied by .296) \$ _____

ENTER THIS TOTAL ON LINE 16, FORM 1040XN-4
Nonresidents and partial-year residents, enter result

on line 59, Nebraska Schedule III,
Attach a copy of your Federal Form 4972,
5329 (Form 1040 if 5329 is not required),
or Form 6251 recalculated for Nebraska if you are
amending the tax previously reported.

LINE 17. Total Nebraska tax is the sum of lines 15 and 16. If line

17 is changed and you had previously claimed a credit for tax paid to another state, enter the revised tax amount on line 45 of Nebraska Schedule II, and complete the rest of the schedule.

LINE 18. Nebraska resident individuals are allowed a personal exemption credit for each federal personal exemption. The amount is \$65 for 1993; \$69 for 1994 and 1995, \$72 for 1996; and \$86 for 1997. See 1040N instructions for a chart listing the reduced credits for higher income taxpayers. If your federal AGI is changed and you need to amend the previous personal exemption credit, consult the 1040N instructions to determine the correct amount of personal exemption credit to claim.

Nonresidents and partial-year residents claim the personal exemption credit on line 56, Schedule III.

LINE 19, CREDIT FOR TAX PAID TO ANOTHER STATE. If line 17 is changed, complete Schedule II of Form 1040XN-4 to determine the amount to enter on line 19, column C. If the other state's return is amended or changed by the other state, file Form 1040XN-4, including Schedule II, to report the change. Explain any change in detail on Nebraska Explanation of Changes. Attach a copy of the other state's corrected return.

See Schedule II instructions on page 4 for additional information.

LINE 20, CREDIT FOR THE ELDERLY OR THE DISABLED. Nebraska residents are allowed a nonrefundable credit equal to 100 percent of the allowable federal credit. Full-year residents should enter the credit on line 20, and partial-year residents should include the credit on line 55. If you are correcting this credit, the change must be explained in detail on Nebraska Explanation of Changes. A copy of the corrected Federal Schedule R, or Schedule 3, Federal Form 1040A, is to be attached to verify any change in the Nebraska credit.

LINE 21, COMMUNITY DEVELOPMENT ASSISTANCE ACT CREDIT. Individuals are allowed a credit for contributions made to a community betterment organization approved by the Department of Economic Development.

Attach the Nebraska Community Development Assistance Act Credit Computation, Form CDN, to the Form 1040XN-4 if this credit is being claimed or amended.

LINE 22, FORM 3800N CREDIT. If you are correcting the amount of Nebraska Employment and Investment Credit, copies of the original and corrected credit computations (Form 3800N) are to be attached.

LINE 23, CREDIT FOR CHILD AND DEPENDENT CARE EXPENSES. Nebraska residents are allowed a nonrefundable credit equal to 25 percent of the allowable federal credit. Full-year residents should enter the credit on line 23, and partial-year residents should include the credit on line 55. If you are correcting this credit, the change must be explained in detail on Nebraska Explanation of Changes.

LINE 25. If the result is more than your federal tax liability before credits, and your adjustments increasing income (Schedule I, line 38) are less than \$5,000, see the Form 1040N instructions.

LINE 26, NEBRASKA INCOME TAX WITHHELD. If you are correcting the amount of income tax withheld on line 26, you must attach a Nebraska copy of any additional or corrected Wage and Tax Statements, Federal Forms W-2, which were not filed with your original return.

Nonresidents are to include on line 26 the credit for Nebraska income tax paid on their behalf by a partnership, S corporation, limited liability company, estate, or trust as reported on Form 14N.

LINE 27, ESTIMATED TAX PAYMENTS. Enter the total Nebraska estimated income tax paid for the taxable year you are amending. Include the income tax credit which was not refunded to

you from the previous tax year. If the amount on line 27, column C, is greater than the amount on line 27, column A, you must attach copies of all of your payments (canceled checks or money orders) of Nebraska estimated income tax for the taxable year you are amending.

LINE 28, FORM 4136N CREDIT. If you are correcting nonhighway use motor vehicle fuels credit, the change must be explained in detail on the Explanation of Changes. The gallons of fuel claimed must be for the period in which they were purchased. A Nebraska Nonhighway Use Motor Vehicle Fuels Credit Computation, Form 4136N, is required.

LINE 29, AMOUNT PAID. Enter on line 29 the amount of tax paid with the original return plus any tax payments for the same taxable year made after the filing of your original return. Do not include the portion of a payment which was for interest or penalty.

LINE 31, OVERPAYMENTS ALLOWED. Enter on line 31 the amount of overpayment allowed on your original return, previous amended returns, or as later corrected by the Nebraska Department of Revenue. This includes both amounts refunded and amounts applied to the succeeding year's estimated tax. Do not include interest received on any refund.

LINE 34, PENALTY. If your original return was not filed by the due date, or during the period of an extension, and line 33 indicates a tax due, it is necessary to calculate a penalty for failure to timely file. Multiply the line 33 amount by five percent per month or fraction of a month, but not more than a total of 25 percent, from the due date as extended until the original return was filed. Enter the result on line 34.

If this amended return is being filed because of a change made by the IRS and the IRS assessed a penalty, multiply the line 33 amount by five percent. Enter the result on line 34. If both the penalty for failure to timely file and the penalty because of an IRS assessment are calculated, enter the larger amount on line 34.

Additional penalties may be imposed by the department for:

1. Failure to pay tax when due,
2. Failure to file an amended return when required,
3. Preparing or filing a fraudulent income tax return,
4. Understatement of income on an income tax return, or
5. Underpayment of estimated tax.

LINE 35, INTEREST. If line 33 indicates that tax is due, interest is due at the statutory rate from the original due date to the date the tax is paid. The statutory rate of interest is 7% per year through December 31, 1994. Beginning January 1, 1995, the interest rate is 9% per year.

If you are due interest on the refund, it will be calculated by the department and added to the amount shown on line 37.

LINE 36, TOTAL BALANCE DUE. Enter the total of lines 33 through 35. Attach check or money order payable to the Nebraska Department of Revenue, and all required schedules to your amended return and mail to the Nebraska Department of Revenue, P.O. Box 94818, Lincoln, Nebraska 68509-4818.

LINE 37, REFUND. Enter the overpayment amount. This will be refunded separately from an amount claimed as an overpayment on your original return. An amount less than \$2.00 will not be refunded. None of the overpayment will be applied to estimated tax for any year.

If a taxpayer has an existing tax liability of any kind with the department, an overpayment shown on this return may be applied to such liability. The department will notify the taxpayer if the overpayment has been applied against another tax liability.

SIGNATURES. Both husband and wife are to sign their joint return. If another person signs this return for the taxpayer, a copy of a power of attorney or court order authorizing the person to sign the return must be on file with this department or attached to this return.

Any person who is paid for preparing a taxpayer's return must also sign the return as preparer.

DECEASED TAXPAYERS. Attach Form 1310N if a refund is being claimed on behalf of a taxpayer who has died.

EXPLANATION OF CHANGES

Print or type your explanation of changes on Form 1040XN-4, or attach a schedule for each change reported on this return or entered in column B, lines 5 through 28. Attach a copy of each federal form used in reporting the change. If you are filing an amended return due to an audit by the IRS or the Nebraska Department of Revenue, attach a dated copy of the audit determination. If you are filing for an income tax refund due to a carryback of a Nebraska net operating loss, you must attach a copy of either Federal Form 1045 or 1040X and all supporting schedules and a copy of Nebraska Net Operating Loss Worksheet. If you are filing an amended return due to a change in Nebraska credits claimed, attach the applicable schedule, form, or other state's return or audit determination.

INSTRUCTIONS FOR NEBRASKA SCHEDULE I Nebraska Adjustments to Income for Nebraska Residents, Nonresidents, and Partial-Year Residents

LINE 38, TOTAL ADJUSTMENTS INCREASING INCOME. Interest from non-Nebraska state and local municipal obligations is taxable income for the state.

An S corporation's or limited liability company's loss distribution from non-Nebraska sources increases income and is reported on line 38.

Any federal NOL deduction used in calculating federal AGI on line 5 must be reported on line 38.

LINES 39 THROUGH 44, TOTAL ADJUSTMENTS DECREASING FEDERAL ADJUSTED GROSS INCOME. Adjustments decreasing Nebraska taxable income, such as state income tax refund, interest or dividend income from U.S. government bonds and other U.S. obligations, or Tier I or Tier II benefits paid by the Railroad Retirement Board can be deducted from income for Nebraska income tax purposes.

List the source of any adjustments on an attached schedule. A list of qualifying U.S. government obligations is included in Regulation 22-002. Interest income derived from the following sources is subject to Nebraska income tax and **cannot** be included in the amount on line 40:

1. Savings and loan associations or credit unions.
2. Mortgage participation certificates issued by the Federal National Mortgage Association.
3. Washington Metropolitan Area Transit Authority.
4. Interest on federal income tax refunds.
5. Gains on the sale of tax-exempt municipal bonds and U.S. government obligations.

If the interest or dividend income from U.S. government obligations is derived from a partnership, fiduciary, or S corporation, the partner, beneficiary, or shareholder claiming the Nebraska adjustment decreasing federal taxable income must attach the applicable Federal Sch. K-1.

Special capital gains deduction. If you are correcting the amount of special capital gains deduction, copies of the original and corrected Special Capital Gains Deduction Computation, Form 4797N, and Federal Schedule D must be attached.

Native American Indians residing on a Nebraska reservation with income derived from sources within the boundaries of the reservation may deduct such income on line 43.

Military personnel cannot deduct military pay as this is not

an allowable adjustment decreasing federal taxable income.

Residents are not allowed to deduct income earned or derived outside Nebraska. However, a resident may be entitled to a credit for income tax paid to another state. See the instructions for Credit for Tax Paid to Another State, Nebraska Schedule II.

LINE 43. Enter other adjustments decreasing income. An S corporation's or limited liability company's income distribution from non-Nebraska sources decreases income and is reported on line 43. A Nebraska NOL deduction is also reported on line 43. If you are changing the amount of your self-employed health premiums deduction, enter the revised amount here along with an explanation of the change. Send in a worksheet which includes your calculation of the revised deduction.

LINE 44. Total adjustments decreasing taxable income are the sum of lines 39 through 43.

INSTRUCTIONS FOR NEBRASKA SCHEDULE II Credit for Tax Paid to Another State for Full-Year Residents Only

A credit for tax paid to another state is allowed only for full-year residents. A change on line 17, total Nebraska income tax, requires Credit for Tax Paid to Another State, Schedule II, to be recalculated. If the amended Schedule II on the back of Form 1040XN-4 is not completed, adequate supporting schedules must be attached.

If the other state's return is amended or changed by the other state, Form 1040XN-4 is to be filed to report the change in the credit for tax paid to the other state. Attach a **complete** copy of the corrected return including schedules and attachments or a copy of a letter or statement from the other state or subdivision indicating the amount of income reported and corrected tax paid. If the subdivision does not require that an income tax return be filed, attach a copy of the statement from the employer showing the corrected amount of tax withheld. Failure to attach supporting documents may cause the credit to be disallowed.

Refer to the instructions on Schedule II of the Form 1040N for the tax year you are amending for more details on the calculation and limitations of this credit.

LINE 46, ADJUSTED GROSS INCOME FROM ANOTHER STATE. If lines 46 or 48 are changed, a complete copy of the corrected return filed with another state must be attached. If the entire return is not attached, credit for tax paid to another state will not be allowed.
